The Stephenson County Sheriff's Office has received toxicology results for both drivers involved in the August 9, 2025, fatal crash on Illinois Route 26 North near Oneco Road in rural Orangeville that claimed the lives of Darcy Connolly-Brunner (age 61) and Rolando Ico-Choc (age 30).

Laboratory testing confirmed that Mr. Ico-Choc had a blood alcohol concentration (BAC) of .244, which is more than three times the legal limit in Illinois. No alcohol was detected in Ms. Connolly-Brunner's system.
